for 2019**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional Dressage Championship program and the USDF Adult Amateur Equitation Regional program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF postcompetition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, to compete at USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional qualifying and championship classes, and the USDF Adult Amateur Equitation Regional program, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: www.usdf.org. You can submit the application online or download the form and fax or mail it to the USDF office.
- In the show office at USEF-licensed/USDF-recognized competitions classified by USEF as Dressage Competitions, and Regular Competitions which are open to all breeds.
- By calling or writing the USDF office at (859) 971-2277, 4051 Iron Works Parkway, Lexington, KY 40511

The effective date of membership is the date the form and correct fees are received in the USDF office or, if applying at a competition, the date accepted by the competition secretary, provided the application is signed and dated by the competition secretary, member, and/or horse owner on that same day.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

See www.swdressage.org for complete SWDC Rules

Important Considerations for Qualifying

1. A horse/rider combination may qualify for the SWDC Championship by earning two qualifying scores in qualifying classes at SWDC recognized shows during the SWDC qualifying year. Qualifying classes are the highest test at each level, with the exception of Walk Trot which will use Intro Test B. Winning or placing in the class is not necessary as long as the score is earned. These scores must be earned at two different competitions from two different judges.
2. An \$10.00 fee is added to the regular entry fee when entering a Qualifying Class at an SWDC recognized competition. \$1.00 of the fee is to provide for the volunteers' services at the Championships, \$5.00 of this fee is allocated for prize money at the Championships, and the remaining \$4.00 will be used to help pay for awards (any of the \$4.00 not used for prizes will be added to the prize money).
3. One score may be earned at a show that is not approved by the SWDC as long as:
 - a. The show is outside of Region 9 and recognized by USEF/USDF.
 - b. The rider submits the score (a copy of the front of a signed dressage test) and a fee of \$25.00 to the SWDC Qualifying Secretary within two weeks of the end of the competition. If the score is not received within the two weeks, it will not apply.
4. A horse/rider combination having won the Championships at a certain level and division may not compete at that level and division or below in the Championships in subsequent years (except Grand Prix). However, the horse may compete at any level with a different rider.
5. Riders in the Walk/Trot level must not have competed in a recognized show above First Level.
6. Each rider must declare the division in which they are competing prior to each attempt at a qualifying ride at SWDC qualifying shows or for a score submitted under Rule 4 (Amateur, Open, or Junior/Young Rider) and must provide proof of eligibility in the case of Amateur and Junior/Young Rider. The intent to qualify for a particular division must be designated on the entry form. Adult Amateur, Junior/Young Riders and Ponies may also qualify for the Open division. Separate qualifying scores must be earned for each division. At the SWDC Championships they must enter each division separately and will ride in each division separately. If a competitor is found to have entered a division in which they are **NOT ELIGIBLE** they must default to show in the Open division if their qualifying scores are sufficient to qualify in that division.
7. In qualifying classes with more than one judge, scores among the judges of the ride will be averaged. For purposes of obtaining qualifying scores from two judges, so long as one judge in the judging combination is changed, it will constitute a different judge.
8. Qualifying rides must be ridden in an unmodified standard 20m x 60m arena with the exception of walk trot which may be ridden in a 20m x 40m arena.
9. Competitors wishing to qualify for the Training or First Level Open Pony Championships may ride a qualifying test at Training or First Level in any division. These qualifying scores do not have to be earned in classes restricted to ponies but the competitor must declare prior to the start of the ride their intent to qualify for the SWDC Pony Championship class. Failure to do so will result in the default to the open division. Ponies must meet height requirements set by the USEF (DR135) in order to be eligible for this division at the Championships.
10. Junior Riders may qualify for the SWDC Open Third Level Freestyle Championship Class using qualifying scores obtained from Junior Rider Freestyle and Young Riders may qualify for the SWDC Open FEI Level Freestyle class using the Young Riders Freestyle. Scores must meet the division percentages and the rider must state the intention to qualify for those classes and pay qualifying fees PRIOR TO THE RIDE.
11. Competitors may check scores by checking www.swdressage.org web site or by emailing the SWDC Qualifying Secretary, at qualifying@swdressage.org. To permit recording, scores will not be available until at least three weeks after the competition.
