Austin Dressage Unlimited is pleased to announce FEI Dressage Judge General Stephen Clarke will be returning to Central, TX in Fall 2018! Stephen Clarke is a well-spoken, well-respected clinician worldwide. As a rider, he has competed successfully and was the reserve rider for the 1988 Olympic Games in Seoul. He headlined the 2015 Adequan/USDF FEI-Level Trainer's Conference in Florida with about 200 auditors, has judged worldwide, including multiple World Cups, World Equestrian Festivals, World Equestrian Games, European Championships, and was head of the judge's Ground Jury at the London Olympics.

Stephen has earned a reputation for combining his 'quick eye' for technical detail and his ability to form balanced and consistent assessments; solving issues with practical effective exercises. Stephen was a crowd favorite at the 2014 ADU Judging Seminar and returns by popular demand to help coach Judges, Trainers, and Riders!

Seminar sessions will feature mounted demonstration rides. Special consideration for clinic rides given for ADU Members.
