**\*\*\*APPROVED FOR USDF-UNIVERSITY CREDIT\*\*\***

**A potluck dinner & socializing with dressage friends will start this educational evening. Lasagna (1 meat & 1 vegetarian) will be provided. Please bring a dish to share with friends.**

**The featured training video will be "Schooling a Horse" with Rudolph Zeilinger. It will include Lunging and Starting the Young Horse, Training the Basics, and using Lateral Work as a Key to Success. Zeilinger himself was a student of Willi Schultheis with many successes including the German Championships. He went on to become a trainer of multiple Olympic and World Champion horses and riders, including Michelle Gibson on Peron. He was formerly the Team Coach of the USA, and for the past 19 yrs has been the Danish Team Coach. The ultimate aim of Zeilinger's dressage training program is "to avoid any restriction on a horse's natural harmony and grace, and to encourage the horse's suppleness and sheer pleasure in its own movements."**

**Bring questions & comments, and join us in the lively dressage educational discussions!**
